## III. International Conference

### Perspectives and Visions of Therapeutic Riding

horses for humans

GREAT – German Research Center for Equine Assisted Therapy invites you to the III. International Conference on therapeutic riding, "Perspectives and Visions of Therapeutic Riding" to be held from 14 to 16 October, 2011 at the Lake of Constance.

The conference is dedicated to a variety of subjects in the fields of equine assisted (psycho)therapy and educational riding. The event offers a chance for intensive exchange on current research and the sharing of personal experiences in the fields of equine assisted therapy.

Look forward to three exciting and stimulating days!
